

Meeting Summary

The Ohio Section board met at the offices of Wagner Smith, Inc. with Julia Sprauer, Todd Stanhope, Michael Meeks, Doug Bender, Steve Welk, and Larry Creed in attendance.

Officers transitioned from 2005 to 2006 roles and discussed goals and objectives for 2006.

Member recruitment will be a special project for 2006. Slogans and themes were discussed and "IgnITE Your Career" was adopted as the theme of the organization for 2006.

Continuing Professional Development requirements for Ohio engineering licensure were discussed in the context of what ITE may be able to offer.

The 2006 meeting schedule was discussed including a possible technical session on the "Traffic Signal Report Card", a golf outing in conjunction with the late June meeting, and the addition of a late July meeting.

A number of committees need chairpersons or members to participate. Members should attend the All Committee meeting in late January and contact a Board member in advance if they have a particular committee interest.

A future member survey was reviewed.

Proposed changes to Section By-Laws were discussed and will be posted on the web site.
